The Importance of Reporting Criminal Activity

United Tribes does not have its own police department. Students, faculty, staff and guests are strongly encouraged to promptly report criminal or suspicious activity to both the local law enforcement and campus security.

Prompt reporting of criminal activity enables the college and local law enforcement officials to more effectively protect the safety of the entire community. No matter how insignificant an incident might seem the information you provide may be helpful to the college and/or local law enforcement officials.

How to Report a Crime to Local Law Enforcement Agencies

The college's main campus is located outside the city limits of Bismarck, in rural Burleigh County within the jurisdiction of the Burleigh County Sheriff's Department. Contact information for the Sheriff's Department is:

Burleigh County Sheriff's Department
Burleigh County Court House, 514 East Thayer Avenue, Bismarck, ND 58501
Emergency Service: 911
Non Emergency Phone: 222-6651
Web page: www.burleighsd.com

After a report of criminal activity, the Burleigh County Sheriff's Department will assign investigative staff to the case. The Sheriff's Department generally notifies the college when it is investigating an incident on the campus. At the end of each calendar year, the Sheriff's Department provides the college with statistical information about crimes occurring on campus and reported to them. The information is included in the college's annual disclosure of crime statistics.

Washington Courts is located inside the city limits of Bismarck within the jurisdiction of the Bismarck Police Department. Contact information for the department is:

Bismarck Police Department
700 South Ninth Street, Bismarck, ND 58504
Emergency Service: 911
Non Emergency Phone: 223-1212
Web page: www.bismarck.org/city_departments/department/default.asp?dID=15

After a report of criminal activity to the Bismarck Police Department, investigative staff is assigned to the case. The Department generally notifies the college when it is investigating an incident at Washington Courts.

How to Report a Crime to the College

If you are a victim of a crime, or if you feel threatened by suspicious activity, your first priority should be to get to a safe place. If you encounter a crime scene (as in the case when your car or your apartment has been broken into) you may be in danger because the perpetrator may still be in close proximity. Do not enter the crime scene! Instead, go to a safe place and call 911.

Suspicious activity or strangers observed on the grounds of the college, in the parking lots, inside buildings, in or around the residence halls should be reported to security officers.

Pastoral and Professional Counselors

As a result of the negotiated rule making process which followed the signing into law, the 1998 amendments to the Clery Act, 20 U.S.C. Section 1092 (f) clarification was given to those considered to be campus security authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors", when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis for inclusion into the annual crime statistics.

The rule making committee defines counselors as:

Pastoral Counselor

An employee of an institution, who is associated with a religious order or denomination, recognized by the religious order or denomination as someone who provides confidential counseling and who is functioning with the scope of that recognition as a pastoral counselor.

Professional Counselor

Is an employee of an institution whose official responsibilities include providing psychological counseling to members of the institution's community and who is functioning within the scope of his or her license or certification.

Legally Mandated Reporting

There are instances when the college official taking a report of a crime may be legally mandated to report the incident to law enforcement officials. Examples include:

- Health care practitioners are legally mandated to report any incident where they provide treatment to an individual suffering from wounds inflicted by a firearm or resulting from an assault or abuse.
- Educational administrators, teachers, counselors and clergy are required by law to make a report anytime they become aware of any abuse being perpetrated on a minor child.
- If during the course of receiving a criminal report, the college officials become aware that there is an imminent threat to someone's safety, he/she must take appropriate steps to protect that person which may include making a report to appropriate law enforcement officials.

Off-Campus Safety Risks and Criminal Activity

UTTC cooperates with law enforcement agencies to monitor any off-campus criminal activity that may jeopardize the safety and security of the college community. Campus officials meet and communicate regularly with officials from both the Burleigh County Sheriff's Department and the Bismarck Police Department. Both of these agencies provide timely notification to college officials of safety or security risks in the community and when appropriate, the college will employ its emergency notification and security advisory procedures to alert students, faculty and staff to the risk that exists. Both agencies also inform college officials of any criminal activity occurring in the community that involves UTTC students.

Policy on Alcohol

In North Dakota, it is illegal for anyone under the age of 21 to consume or be in possession of alcohol. It is also illegal for anyone to sell, furnish or provide alcohol to a person under the age of 21. Anyone in violation of these laws is subject to criminal prosecution.

Alcoholism is one of the leading causes of death among American Indians. UTTC, in accord with its educational philosophy and mission, has adopted a policy to prohibit the use of alcohol, illegal drugs and any other intoxicating substances.

Alcohol abuse, like illegal drugs, is harmful to the mind and body. UTTC does not permit the use of alcohol, any other intoxicating substance, or any illegal drug by students, their guests, or employees when present on UTTC's campus, and also reserves the right not to permit any intoxicated persons on campus. A student found to be under the influence of or in possession of any alcoholic beverage or any illegal drug while on UTTC's campus is subject to immediate termination or other appropriate discipline, and the case shall be investigated by appropriate personnel at UTTC.

Any student found to be under the influence of an alcoholic beverage or any other intoxicating substance, which is a threat to him or herself or others, may be taken immediately by a UTTC security officer to an appropriate detoxification facility. Any guest of a student using an intoxicating substance, or under the influence of any illegal drug, or in possession of any alcoholic beverage or any illegal drug while on campus, may be immediately escorted off campus, and may be reported to the appropriate authority. Illegal drugs include, but are not limited to, marijuana in any form, LSD, speed, methamphetamine, cocaine, heroin, and most other mind-altering drugs that have not been lawfully prescribed by a medical doctor for use by a student or a guest on campus.

Policy on Illegal Drugs

Use and possession is prohibited.

Firearms and Other Dangerous Weapons

Possession of firearms and other dangerous weapons is prohibited. Weapons will be confiscated. Other dangerous weapons include, but are not limited to, explosives of any kind, brass knuckles, clubs, knives with blades longer than four inches (other than kitchen knives), and switchblade knives.

Physical and Domestic Violence

Violence of any kind is prohibited. This includes but is not limited to:

- a. Physical Violence
- b. Domestic Violence
- c. Child Neglect or Abuse

Sexual Assault and Rape

1. UTTC has an active, ongoing training program for its security guards and personnel. In particular, security guards and any administrative or teaching personnel are specifically cautioned to be alert for incidents of rape, acquaintance or "date" rape, and other forcible and non-forcible sex offenses and to report them immediately to the proper authorities.
2. Each student is provided a copy of this policy and is encouraged to promptly report incidents of rape, acquaintance (or "date") rape, or other forcible and non-forcible sex offenses to which they are witness or of which they are a victim. Students are encouraged to provide suggestions to improve campus awareness of the problems associated with sexual offenses. Recommendations may be referred to appropriate administration officials, including the President of the College, the Vice President of Student and Campus Services, Security Officers or Counseling Department. Incidents of a sensitive nature may be referred to a member of the counseling department.

3. Procedures for reporting a sexual assault or other sexual offense:
 - a. Any student, administrator, faculty member or other employee of UTTC who witnesses or is a victim of any sex related offense, including any such offense involving a child, is requested to immediately report such incident to the Burleigh County Sheriff's Office, or dial 911 and request assistance, or to call Campus Security ext. 1200 or 1300, who will assist in notifying the appropriate authorities.
 - b. Any student, administrator, faculty member or other employee of UTTC who is a victim of a sexual assault is encouraged to use the services of the Rape-Incest Crisis Center, in Bismarck, whose telephone number is 222-8370.
 - c. Any person who is the victim of a sexual assault is urged to be careful to preserve evidence of the sexual assault for use by any criminal investigator or police officer in the prosecution of the offense and to follow all instructions given to him or her by any police officer investigating the alleged crime.
 - d. All students are hereby notified that if the student is a victim of an alleged sexual assault, alternate living arrangements will be made available to the student as funds and the availability of alternate living arrangements permit.
 - e. The following are the procedures to be followed in addition to any already provided for in any Student and Personnel Policies and Procedures Handbook provided by UTTC to students or staff, of the College:
 - i. Any employee of UTTC or student at UTTC who is the alleged perpetrator of a sexual offense and the victim of such an offense are entitled to have the same opportunities for having others present during any disciplinary proceeding brought concerning the alleged offense.
 - ii. The victim and the perpetrator shall each be provided a statement indicating the outcome of any disciplinary proceeding brought against the alleged perpetrator of a sexual offense.
 - f. If a finding is made following a disciplinary hearing that a sexual offense has been committed, UTTC may impose the following sanctions as recommended by the Hearing Panel:
 - i. For any student found to have committed a sexual offense: Suspension or termination from the educational facility, including, but not limited to, being removed from the campus for any reason; and
 - ii. For any employee of UTTC found to have committed a sexual offense, suspension or termination from employment, including, but not limited to, being removed from the campus and not being granted permission to return to the campus for any reason.
